OF JEFFERSON COUNTY

JUNE 2018

# Business Insider

Serving the Businesses and Citizens of Jefferson County

## Water Street – The Heart of Downtown

Port Townsend's business owners are an impressive group of dedicated entrepreneurs. Businesses, customers, and partners all work together in community to make our town tick. We've pulled together to weather the six-month Water Street Enhancement Project which is nearly complete. Merchants have worked hard to be sustainable during the project, faced obstacles creatively, and have tried to be flexible in challenging times. As of this writing, Water Street is paved from Taylor to Polk and it looks

amazing. We're in the home stretch.

The Port Townsend Main Street Program has collaborated with local partners, including the City of Port Townsend, First Federal, the Chamber, Jefferson Transit and business owners, on a marketing campaign to keep energy up downtown during the Water Street Enhancement Project.

In April, our local Main Street Program, partners and volunteers helped host the RevitalizeWA Main Street Conference during construction. It was a great success

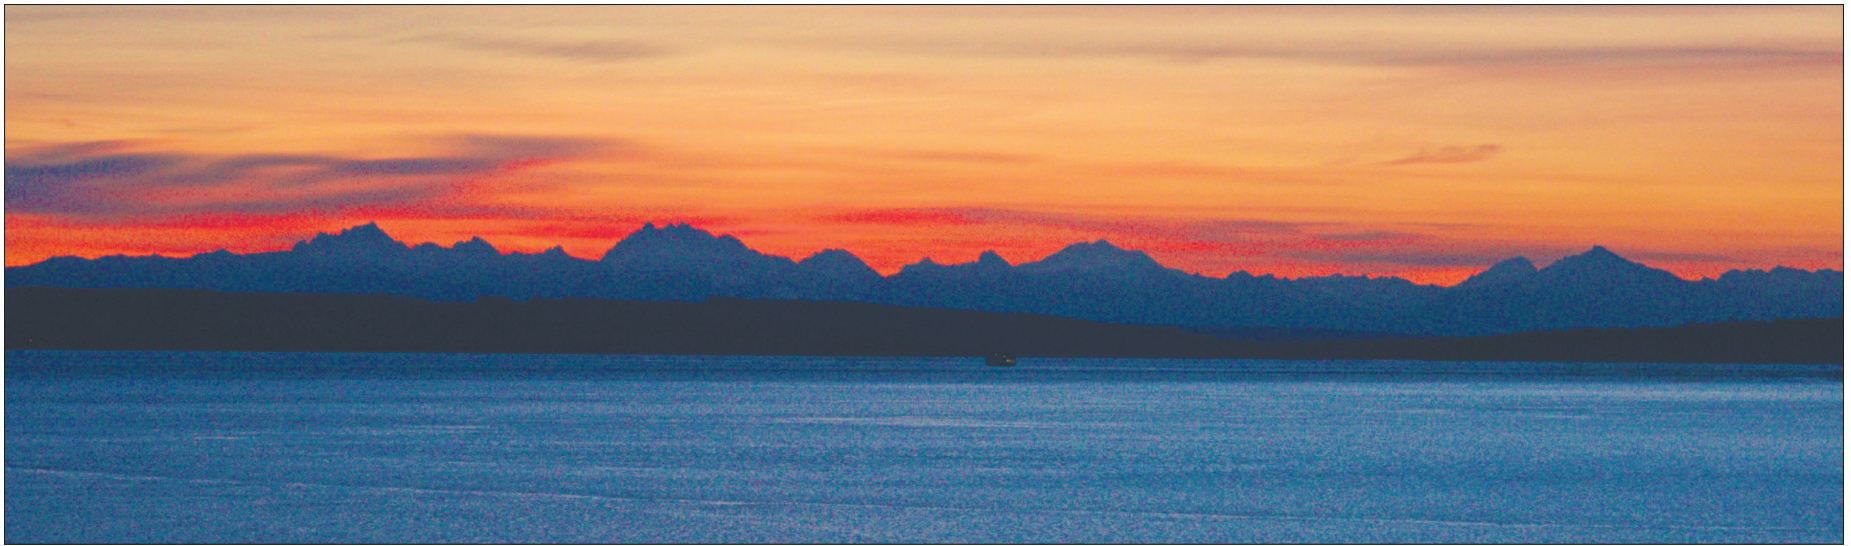

with record attendance. Governor Inslee brought the Results WA Economic meeting to Port Townsend during the conference; it was first time the meeting had been held outside Olympia. We invited the conference guests to come back and see Water Street after it is finished. The conference was made possible by generous local sponsors including the City of Port Townsend, First Federal, the Port Townsend Main Street Program, Aldrich's Market, Centrum, Northwind Arts Center, and the Northwest Maritime Center.

### JUNE EVENTS

You can still play **PT Believe It or Knot** in June – all entries will be eligible for the two grand prize drawings of \$500 each in gift certificates. Winners will be announced at the "Party in the Plaza" Saturday, June 30th. There's still time to shop and dine and get your cards stamped—you might win!

Join us on a culinary adventure at the **Taste of Port Townsend**, Thursday, June 7th from 5-8 pm at the NW Maritime Center. "The Taste" features some of our town's favorite restaurants, wineries, and cideries. Sample, sip and mingle at this tasty fundraiser for the Port Townsend Main Street Program. Tickets are \$50 for food/alcohol samples, and \$35 for food only samples. Don't forget to get a ticket to win the Tasty Prize raffle, a basket filled with treats. Event tickets at [www.eventbrite.com](http://www.eventbrite.com). Special thanks to the Lively Olive Tasting Bar and Key City Fish Company for supporting the Taste.

## Party in the Plaza – June 30th!

Come celebrate the end of construction at the “Party at the Plaza” Saturday, June 30th from 3 to 6 pm. There will be music, food and fun on the brand new Tyler Street Plaza—right on the waterfront. The Urban Sketchers will show their work—they’ve been sketching the construction scene over six months. Sit in new Main Street chairs, dance to DJ music and soak in the scenery. Bring

your family and friends and come party in the Plaza!

Port Townsend’s retail stores, restaurants and lodging are a destination experience for residents and visitors. We are ready to cross the finish line of the Water Street Enhancement Project. New businesses have opened downtown during the project—come say hello. We invite you to

see a beautiful new Water Street and support our local businesses – all year long.

Thanks to the City of Port Townsend, First Federal, participating merchants and you for supporting the local economy during construction. Please keep connected with the Port Townsend Main Street Program on social media for updates. For more about our program and events, visit [www.ptmainstreet.org](http://www.ptmainstreet.org).

## Become an Ambassador!

Being an Ambassador for the Chamber means you are a champion of business and our community. Interested?

Join us on Thursday, May 31st from 5:30-6:30pm for an informational session. You will learn more about the positive impact becoming a Chamber Ambassador can have in your life and for your business. Also you will assist us in planning for 2018-2019 and beyond. We are building business and the quality of life in our great region and want you with us!

The Chamber and Executive Director, Arlene Alen, will host Sips & Snacks at the Chamber office (2409 Jefferson Street, PT).

We appreciate your ongoing support of The Chamber, our mission and our community!

## Sandpiper Sailing

Welcome aboard Sandpiper Sailing a new opportunity to be on the water and enjoy our beautiful Puget Sound/Salish Sea, Cascade and Olympic Mountains. Sandpiper is a 1971 Bristol 24 sailboat ready to give you a different perspective from the water for sightseeing, sailing lessons, photography and special charters.

I started sailing in the early 80's chartering sailboats, racing T Birds and a 16' Hobie Cat a few years later. I returned to Port Townsend in '86 continuing my racing and cruising from Olympia up through the Inside Passage north to Port Hardy and Alert Bay, Vancouver Island. I am a Captain and ASA certified Keelboat instructor.

I am excited to be able to share my experience and love of the water with others. I am offering my services to share whether you just want to enjoy an afternoon out on the water or do some hands on informal introduction to sailing. Maybe sailing lessons to help prepare yourself for your first sailboat or help you sail your first sailboat. I am here to help you enjoy our beautiful waterways confidently and safely.

I am also a wholesale and retail sales rep for DockStar Smart Thruster a self-contained, remote control, removeable bow and stern thruster for power and sailboats.

I am looking forward to being a part of the Chamber of Commerce experience. Meeting and helping local businesses, Marine Trades as well as supporting businesses thrive in our community.

## FREE BUILDING!

Really, this adorable blue building with a great history at the Chamber needs a new home. The City will be starting their pavilion project in front of the Chamber this summer and need that building gone by May 31st. While several people/organizations have expressed an interest in this, thus far the right combination of people, purpose and permits hasn't come together. With some cosmetics and a few upgrades this might be a great ADU to enhance your property and income and assist a community member with workforce housing or a tool/hay shed for your toys and feed or perhaps an amazing playhouse for your grandkids? Consider the possibilities – FREE TO A GOOD HOME! (You will need to move it however as we cannot do that for you.)

Interested? Just contact the Chamber Executive Director Arlene Alen at 360.385.7869.

Sally Robins, often wows our visitors to the Visitor Information Center with wonderful details of places and history. You too can learn more about our community and welcome visitors by volunteering at the Visitor Information Center. To learn more, call 360-385-7869. Photo by Deja Webster

## 1851

Co-Owners Marci Spittler and Tarin Watson are excited to announce the opening of their unique boutique, 1851! Where it's Shop O Clock Somewhere.

The name 1851 comes from the year Port Townsend was established, and since they're establishing a new business it felt fitting and gives tribute to beautiful Port Townsend. The style is that of an urban chic boutique but with a small town vibe.

Marci and Tarin really want 1851 to be that store where you can find that perfect gift for anyone. You'll find jewelry, cards, home decor, hats, scarves, and apparel, for women, men and kids. "When the store we worked at closed recently

we really wanted to open our own space. And we know that in the old store there were so many items that our locals would come in for on a regular basis that we wanted to fill that void for them. So please come down to 1851 to find some of your favorites and discover some new treats as well"

Marci and Tarin both long time residents of Port Townsend are committed to making 1851 a long term staple of the downtown waterfront. Stop down to welcome this brand new business

located at the old Sand Castle space at 840 Water Street in downtown Port Townsend.

And don't forget to follow them on Face Book and Instagram @1851shoppe for all the latest.

## Grand Opening & Ribbon Cutting

### Port Townsend Boat Company

Sat. June 2nd

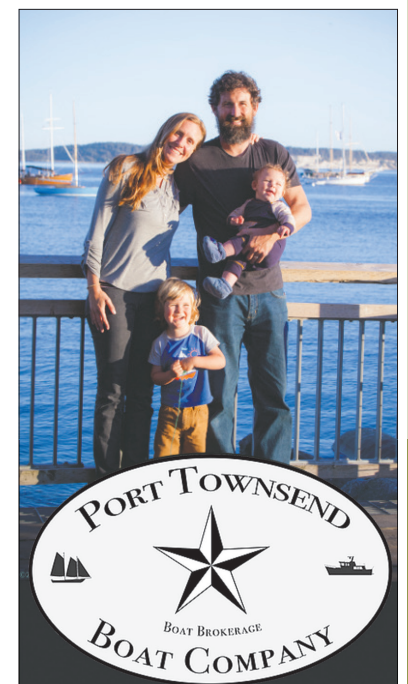

Grand Opening 5:30-8pm, Ribbon Cutting @ 6pm

Sanderling Building, 1136 Water Street, Suite 104, PT

Help us celebrate the grand opening of this phenomenal new boat brokerage specializing in the sale of power and sailboats for local cruising to world voyaging. They also offer private instruction and vessel delivery for our customers locally and worldwide.

There will be festivities from 5:30-8pm but be there at 6pm for the ribbon cutting and grand opening photo! Let's give Rob Sanderson a wonderful welcome.

We will bring the ribbon and giant scissors and you bring your enthusiasm and curiosity.

**Chamber Ribbon Cutting Ceremonies:** Be in the know & create thriving new business.

## NEW MEMBER SPOTLIGHT

**Marine Surveys & Assessments (MS&A)** is a woman-owned environmental consulting firm specializing in marine science research, land use planning assistance, and permitting assistance for waterfront projects and port developments. MSA also designs and implements mitigation, restoration, and monitoring activities.

We are experienced scientists who provide environmentally sound solutions to public and private clients throughout the Puget Sound. Founded in Port Townsend in 1999, MSA has produced close to a thousand Habitat Management Plans, Mitigation and Monitoring Plans, Habitat Survey Reports and Biological Evaluation documents for a wide range of projects throughout Puget Sound and Lake Washington. Our company is well-respected for our ability to work with regulatory agencies and clients to resolve aquatic habitat issues and being based in a small city allows us get the job done with much lower costs than big city consultants.

If you're thinking of buying land along a shoreline or wetland, planning a new project (like a dock, bulkhead, or addition to your house) in a sensitive area, or are considering any other work that could require environmental permitting or biological monitoring, give us a call. We can help you determine if your project is feasible, then we can help you plan and implement it, potentially saving you a lot of time and money. ## WSDOT SR20 Project Update

WSDOT's six-mile paving project progresses in Port Townsend. Construction crews are repaving portions of State Route 20 and installing 13 new ADA accessible ramps, which improves access for pedestrians and people with disabilities. The work will happen West of 4 Corners Road to East of Water Street. Most of this work will be from 8:00 pm THROUGH 6:00 am, Sunday through Thursdays through early Fall.

Although, most of the work will take place in the night; the ADA improvements will require daytime hours. People driving and biking should plan for:

Overnight single lane closures each Sunday through Thursday from 8 p.m. to 6 a.m.

Daytime delays as crews build ADA accessible ramps

Familiarize with the Port Townsend/Coupeville ferry schedule

Our crews will keep traffic moving through the construction zone by way of a pilot car but encourage drivers to plan ahead to reach their destination.

For questions please contact Washington State Department of Transportation. For more information visit: <https://www.wsdot.wa.gov/Projects/SR20/4CornersToWaterStPavingADA/default.htm>

## Jefferson County Toastmasters

Better Speakers and Leaders Toastmasters is the best way for anyone—whether a working professional, student, stay-at-home parent or retiree—to improve his or her communication and leadership skills. Members overcome the fear of public speaking and learn skills that aid them in becoming more successful. Toastmasters creates better listeners and stronger team members and leaders who can comfortably give and receive constructive evaluations.

Company Benefits A company's success depends on communication. Employees interact with their colleagues and customers to exchange ideas, messages and information. How well they communicate and share their ideas can determine whether a company grows into an industry leader or is mired in mediocrity. At a very reasonable cost, Toastmasters teaches employees to become better presenters and leaders: Give better sales presentations. Hone their management skills. Work better with fellow employees. Develop and present ideas more effectively. Offer constructive criticism and accept feedback more objectively. Around the world more than four million men and women of all ages and occupations have benefited from Toastmasters. Thousands of corporations, community groups, universities, associations and government agencies currently use the Toastmasters program.

About Toastmasters International Toastmasters International is a nonprofit educational organization that teaches public speaking and leadership skills through a worldwide network of clubs. Headquartered in Rancho Santa Margarita, California, the organization's membership exceeds 345,000 in more than 15,900 clubs in 142 countries. Since 1924.

Meeting Time and Location: 2nd & 4th Thursdays at Noon.

2nd Thursdays- Location will vary -Go to: [Jeffco.Toastmaster-Clubs.org](http://Jeffco.Toastmaster-Clubs.org) for details.

4th Thursdays Avamere/ formerly Seaport Landing, 1201 Hancock, 2nd Floor Meeting Room.

Trades Association

# Grand Opening & Ribbon Cutting

**Party in the Plaza!**  
**Sat. June 30th, 3-6pm**

**Ribbon Cutting and photo @ 3:30 pm**

**Tyler Street Plaza, Downtown PT (where Tyler Street meets the beach)**

Come celebrate the end of construction with us! There will be music, food and fun on the brand new Tyler Street Plaza—right on the waterfront.

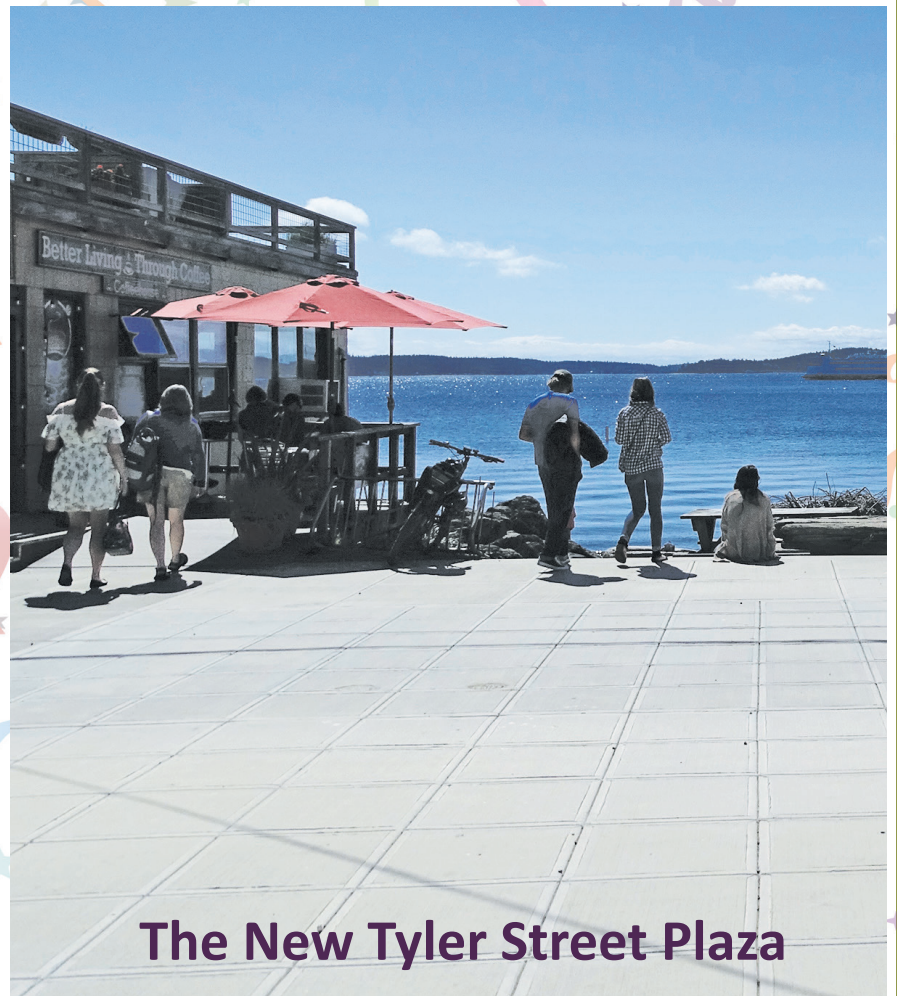

The party runs from 3-6pm but be sure to be there at 3:30pm for the Ribbon Cutting and get your smile in the celebration photo for future generations to marvel at!

The Urban Sketchers will show their work—they've been sketching the construction scene over six months. Sit in new Main Street chairs, dance to DJ music and soak in the scenery. Bring your family and friends and come party in the Plaza!

Join us!
